Correction: Biomark Res 10, 89 (2022)

<https://doi.org/10.1186/s40364-022-00436-7>

The original article [1] contains an error in the following sentence:

‘When combining IMQ, photodynamic therapy (PDT) had a better effect on cutaneous squamous cell carcinoma (cSCC) than either IMQ or PDT alone.’

The mention of IMQ is erroneous and should instead be IMA (imatinib mesylate).
